GENERAL INFORMATION

MISSION STATEMENT

International University & Theological Seminary (IUTS) exists to equip students to be faithful Christian leaders in the church and in society, through a Christ centered excellent higher education.

INSTITUTIONAL OBJECTIVES

To fulfill its mission, International University & Theological Seminary pursues certain outcomes to be demonstrated in its graduate as follows.

1. To demonstrate a deeper relationship with God
2. To exhibit a Christ-like life and the fruits of the Holy Spirit
3. To acquire in-depth knowledge of the Bible as the ultimate authority for faith and life
4. To interpret the Bible and apply it to the contemporary life and society
5. To uphold a biblical worldview to understand and respond to the contemporary society
6. To think critically, communicate effectively, and research productively
7. To effectively communicate the gospel of Christ Jesus
8. To acquire proper ministry skills for serving in churches and in communities
9. To lead with servant mind in the church and in the global society

PHILOSOPHY OF EDUCATION

International University & Theological Seminary (IUTS) upholds the primacy of the truth revealed in the Bible and incarnate in Jesus Christ. In this light, IUTS is based on a philosophy of education which recognizes the one true and living God of Trinity as the Author of life and the Bible as the ultimate norms for human life. IUTS believes that the Bible, God's Word must be central in all learning, and that it is our responsibility to provide the tools to embolden and encourage our students to spread the Word of God.

STATEMENT OF FAITH

International University & Theological Seminary conforms to the following statement of faith:

The Bible is the only source of knowledge about God and His forgiveness, and is also the way in which He speaks to us today. It was written by people as they were directed and guided by God's Holy Spirit, and so it true and without error.

- There is only one true God. He has revealed Himself in three persons: Father, Son, and Holy Spirit.
- God the father is the Creator of the universe with all of its grandeur and beauty, and He alone sustains it with His almighty power. The crown of His creation was Adam and Eve, whom He made in His own image that they might live in fellowship with Him and care for His creation.

- Adam and Eve doubted and rebelled against God. Now every human being is born with a self-centered (sinful) nature. Attempts to change human nature or to please God demands perfection. We are not perfect. Therefore, all of us need forgiveness and new life, which comes only from God in Jesus Christ.
- Jesus Christ is God the Son. In His perfect life on earth, He did what no one can do. Through His death on the cross, He took upon Himself the punishment for sin that was due all people. By defeating death and rising from the dead, Jesus showed the world that His sacrifice on the cross had been accepted by God the Father, paying for man's sin.
- God the Holy Spirit gives us this new relationship with Jesus. By giving us faith in who Jesus is and what Jesus did and continues to do, the Spirit brings about his forgiveness that is our thanks to God the Son. The Holy Spirit also encourages and nurtures us as we grow in our relationship with the Lord.
- The Church is the fellowship of all who have come to faith in Jesus Christ as their Savior and Lord. God has given His Church two great gifts to continue it's growth: Baptism to create faith and sustain faith and The Lord's Supper to nurture faith. In His Supper, our Lord Jesus gives us His body and blood in and with the bread and wine.
- A Christian is a member of the Church not because of what he has done or who he is, but because God has called him into a relationship with Jesus Christ as Savior and Lord. While here on earth our imperfections remain with us, but thanks to Jesus we are already perfect in God's eyes.
- Christians are called to live for Jesus, seeking to serve and honor Him in all facets of life. Life cannot be divided into compartments where Jesus is not present. To know Him is the only way to know what true life is all about, and serving him is life's greatest privilege.
- Death is no longer something to be feared. Rather, all those who trust in Jesus will live in joy with him in heaven for eternity. Death is now simply a doorway to another level of intimacy with God.

STATEMENT OF ETHICAL VALUES

Academic Integrity

We as faculty and students alike commit to honesty in all aspects of our work. Faculty are responsible for modeling in their lectures and publications the same standards for use of oral and written sources that they expect of students in students' oral and written work.

Academic integrity requires that as faculty:

- we will carefully acknowledge our dependence on the ideas of others, including those of our students, in publications, and as appropriate in lectures and in materials distributed in class;
- we will follow accepted standards in the construction and grading of examinations;
- we will challenge academic dishonesty when it occurs;

- we will seek to assure consistency in applying these standards by consulting with colleagues as we deal with questions and issues about academic integrity within our professional work.

Academic integrity requires that as students:

- we will rigorously follow accepted standards of citation for quoting directly or indirectly from published or unpublished sources;
- we will not, in take-home or in-class examinations,
 - provide or receive answers from other students during an examination
 - plagiarize the works of others
 - use informational aids such as "crib sheets" or other types of notes during an examination
 - do anything else that might reasonably be construed as cheating.

IUTS does not tolerate sexual harassment and seeks freedom from all forms of harassment for students, faculty, staff and applicants who seek to join IUTS. Any person violating IUTS policy on sexual harassment is subject to disciplinary action such as reprimand, suspension, or termination of employment or enrollment. Harassment based on race, color, national origin, ancestry, religion, physical conduct or mental disability, marital status, sexual orientation or age includes behavior that is expressly prohibited by this policy which is in accordance with applicable state and federal law, and will not be tolerated.

ACADEMIC POLICIES

CONTINUING REGISTRATION

Students are expected to enroll in each consecutive semester. Students must notify the Registrar if they do not intend to register in a given semester. Students are allowed to apply for and take a leave of absence for two consecutive semesters without penalty. Any student who does not register for the next semester after the expiration of a Leave of Absence must apply for re-admission and be approved by the Admissions Committee. The student is subject to all current academic and administrative policies and procedures, including any new degree requirements in effect at the time of re-admission.

COURSE REGISTRATION REQUIREMENTS

Returning students are required to register for the next semester courses by the scheduled registration deadline and pay tuition and related fees. The registration deadline is usually four to six weeks before the beginning of the new semester. A \$20 late fee is charged to those students who do not register by the posted deadline. IUTS expects that students will enroll in each consecutive semester. Students must notify the Registrar in writing if they do not plan to register for a semester.

LATE REGISTRATION

Students who have not officially registered by the last day of the registration period may be allowed to enroll in courses by the end of the first week of a semester after completing late registration and paying the late registration fee of \$20. Students cannot register later than the last day for Add/Drop deadline. No enrollment is permitted if a student has missed more than one (1) week of classes. Students returning from a leave of absence or from withdrawal status are allowed up to the last day for Add/Drop to enroll in classes without paying the late Registration Fee.

ADDING AND DROPPING COURSES

Students can add or drop a course by the end of the first week of a semester. An Add/Drop form must be submitted to the Registrar's office before the deadline. No more than two courses may be dropped. An equivalent number of courses may be added without penalty (financial or attendance). Failure to officially drop a course will result in full tuition charges for the course and a failing (F) grade.

- All add/drop forms are subject to approval of the Academic Dean and Financial Aid Officer (if applicable).
- For dropped courses, refunds are calculated from the date the Add/Drop form is delivered to the

Registrar's office.

- A grade of W (Withdrawal) will be placed on the student's transcript for a course officially dropped after the start of the second week.

COURSE WITHDRAWAL

Students can withdraw from courses by the end of the first week of the semester without affecting their grade point average (GPA). Thereafter students must obtain permission from the Academic Dean to withdraw. Withdrawal from enrolled classes after the Add/Drop period, but before the 14th week of the semester will result in a "W" grade recorded in the official transcript. All withdrawals must receive permission from the Dean. Students who withdraw from a course must repeat that course in order to receive full credit. Refunds for course withdrawals shall be made according to the IUTS's tuition refund policy.

AUDITING

Those who want to audit one or more courses may do so and must complete an audit application form. Audit classes are not incorporated in calculating overall grade point average.

GRADING SYSTEM

Students must have a "C" average to graduate. IUTS uses the following four-point grade scale:

GRADE POINTS	LETTER GRADE	SCORES
4.0	A	93+
3.7	A-	90-92
3.3	B+	88-89
3.0	B	83-87
2.7	B-	80-82
2.3	C+	78-79
2.0	C	73-77
1.7	C-	70-72
1.3	D+	68-69
1.0	D	63-67
0.7	D-	60-62
0.0	F	59 or less

- A : Work of highest quality in all areas; mastery of facts and concepts; creativity; ability to evaluate data and Trends.
- B : Adequate mastery of facts and concepts; creativity and analytical ability, but with some weaknesses and room for improvement.
- C : Sufficient grasp of facts and a general competence of subject.

- D : Insufficient grasp of facts and competence of subject. Students who do not demonstrate improvement are subject to dismissal.
- F : Failure to achieve minimal quality or production of work.
- W : Withdrawal from a class.
- I : Incomplete work at the end of the course. This grade is given only if the work is incomplete for valid reasons. It is the responsibility of the student to finish all incomplete work and ask the instructor to submit a grade change to the registrar. If the work is not finished in the subsequent semester, without the granting of an extension, the incomplete will be changed to an “F.”

SATISFACTORY ACADEMIC PROGRESS (SAP)

IUTS provides the SAP policy to ensure students to successfully complete all the required courses. All students must maintain a minimum of a 2.0 cumulative GPA (undergraduate), 2.5 cumulative GPA (graduate) in order to meet graduation requirements.

The standards of SAP are maintained at all times in order for students to graduate in a timely manner from IUTS. Failure to maintain SAP can lead to academic probation and eventual dismissal from IUTS. The maximum time allowed for any student to complete IUTS’s programs is 12 semester or 6 calendar years.

REPEATING COURSES

Student may repeat only the courses in which D, D-, F, or W grade was given. Whenever a course is repeated for credit, only the highest grade earned will be the official grade and will be used for computing the grade point average. However, original grades will also be shown in the student’s transcript. Grades of F (failure), W (withdrawn), R (repeat) and I (incomplete) are counted as hours attempted. Grades of F (failure) and W (withdrawn) are not counted as hours successfully completed. The student must repeat any required course in which a grade of F or W is received.

A W grade is not replaced when a student repeats the course, but remains part of the student’s permanent record. To receive an incomplete (I), the student must petition by the last week of the term for an extension to complete the required coursework.

GRADE CHANGE

To change a grade, the instructor must provide the Academic Dean with appropriate reasons and evidence for the change in writing. Change of Grade Forms must be submitted by faculty to the Academic Dean before the change can be processed by the Registrar. Students wishing to contest a grade must do so in writing to the Academic Dean by the end of the first week of the following semester. Any grade change requests made after this day will not be honored.

SEMESTER SYSTEM

Each Academic year at International University & Theological Seminary comprises two 15 week semester terms organized on the semester system. The fall semester usually begins in September, and the spring semester in March, as illustrated on the following Academic Calendar. The campuses are closed on legal holidays. Academic credit is measured on the semester system in semester hours; All courses are, thus, evaluated in terms of semester hours of credit.

RESIDENCY REQUIREMENT

All students must complete a minimum of the 50 percent of their degree program credit requirements in residency at IUTS in order to be qualified for a degree. The total number of credits in residency required is determined by calculating 50 percent of the total number of credits required for the student's program of study.

COURSE LOAD

Students normally enroll for 12 to 15 hours each semester. A student who is maintaining a C grade level, with the Registrar's approval, may be allowed to enroll in up to 21 hours. In exceptional circumstances, a student who is performing outstandingly may submit a petition to the Academic Dean for approval to enroll in up to 24 hours. In the written petition, the student must show that there are special circumstances that should be considered. Students are cautioned that petitions for such increased study loads are very carefully and thoroughly evaluated. To comply with the SEVIS regulations, international students with the F-1 student visas must carry a full-time load, at least 9 hours for the graduate program and 15 hours for the undergraduate program.

INCOMPLETE GRADES

This grade is given only if the work is incomplete for valid reasons. It is the responsibility of the student to finish all incomplete work and ask the instructor to submit a grade change to the registrar. If the work is not finished in the subsequent semester, without the granting of an extension, the incomplete will be changed to an "F."

ATTENDANCE POLICY

Absences and Tardiness

Students are expected to attend class regularly. No student shall be allowed to pass a course if the total absences exceeds three (3) classes unless special petition has been approved. Students should be aware that a failing grade may result upon missing the fourth class. Absences may be excused for childbirth, documented illness, injury, death in the family, or other emergency situations acceptable. Students should contact the Academic Affairs Office as soon as they can on the first day of absence, and provide an estimated duration of absence.

Students who enter the class more than ten minutes late will be marked tardy. Three (3) tardies are counted as one absence. A student who arrives after the first third of a class session may be counted as absent from that session. A student who leaves class before its completion or who does not return to class after a break without the permission of the instructor will be charged as a tardy.

Makeup Work

Students are responsible for taking the initiative in making arrangements with faculty members to makeup work missed. Instructors may arrange makeup work or examinations, in cases of an excused absence. Instructors are not required to provide makeups for examinations missed due to unexcused absences, and will normally assign a failing grade for that course.

Leave of Absence

All leaves of absence must be approved by the Academic Dean to avoid withdrawal status. The duration of an approved leave of absence will not be included in the calculation of a student's maximum allowed time-frame for completion of the degree program. A student who wishes to take a leave of absence must make a request prior to or on the first day of instruction by completing the Request for Leave of Absence form. The leave of absence is effective only when the Academic Dean has acted upon the request and granted permission. A student who has taken a leave of absence without the Academic Dean's permission will not be considered a continuing student without persuasive reason(s) and evidence to substantiate such absence. If a student anticipates being unable to enroll for one or more semesters, he or she must file a Leave of Absence form with the Registrar. Specific dates and signature must be provided and specific conditions for the resumption of study will be prescribed. A student who does not file a leave of absence and fails to register for the following semester is considered to have unofficially withdrawn from the program, and may be subject to the provisions of re-admission.

ACADEMIC HONORS

IUTS recognizes students' academic achievement. Honors will be awarded to students attaining the following final grade point averages:

GPA 3.8 -4.0	Summa Cum Laude
GPA 3.65- 3.79	Magna Cum Laude
GPA 3.5-3.64	Cum Laude

ACADEMIC PROBATION AND DISMISSAL

Students will be placed on academic probation if a 2.0 (undergraduate)/2.5 (graduate) grade-point average is not maintained. A student on academic probation may only enroll for a maximum of 12 hours for undergraduate programs and 9 hours for graduate programs until their GPAs reaches minimum requirement of 2.0 (undergraduate)/2.5 (graduate). Failure to achieve a minimum GPA after two consecutive semesters will result in dismissal.

EVALUATION OF COURSE AND INSTRUCTOR

At the end of each semester, students are asked to complete an evaluation of their instructors. Evaluations are one of several tools used by the administration to assess the effectiveness of instruction. Instructors will also receive summaries of the results.

STUDENT LIFE AND SERVICES

The Office of Student affairs is responsible for providing student support services. The Director of Student affairs serves as the primary coordinator of student-related issues. The office is open to students seeking counseling on all non-academic concerns.

DRUG-FREE CAMPUS POLICY

IUTS ensures its learning environment be free of unlawful or banned substances. Specifically, all members of IUTS community, which includes administration, faculty, staff, students and guests, must abstain from the consumption or use of alcohol, narcotics, and/or misuse of prescription drugs while on the IUTS campus and on any field trips or projects sponsored by the school. Violation of this policy could lead to suspension, expulsion, termination, and in the context of criminal activity, referral to law enforcement agencies.

SEXUAL HARASSMENT POLICY

IUTS does not tolerate sexual harassment and seeks freedom from all forms of harassment for students, faculty, staff and applicants who seek to join IUTS. Any person violating IUTS policy on sexual harassment is subject to disciplinary action such as reprimand, suspension, or termination of employment or enrollment. The type of disciplinary action imposed will depend on the severity of the offense.

Harassment based on race, color, national origin, ancestry, religion, physical conduct or mental disability, marital status, sexual orientation or age includes behavior that is expressly prohibited by this policy which is in accordance with applicable state and federal law, and will not be tolerated.

STUDENT CODE OF CONDUCT

Each student is expected to observe all institutional policies established for both Academic and non-Academic matters while enrolled at International University & Theological Seminary's educational programs. This includes the student's attitudes, actions, appearance and attire. IUTS administration has the authority to take appropriate administrative disciplinary measures if the student code of conduct is not adhered to. It is the policy of IUTS to prohibit smoking as well as prohibit unlawful possession of or use of controlled substances and alcoholic beverages. Firearms possession anywhere on campus is strictly prohibited.

Students are expected to maintain a professional appearance and demonstrate a cooperative and respectful attitude towards all they come into contact with. Students should strive to develop their ethical and moral character, high level of professional competence, a sense of composure, and, above all, compassion. Students may be dismissed from IUTS for behavior disruptive to its educational mission, such as, but not limited to, those stated below:

- Forgery, alteration or misuse of institutional documents, records or identification, or knowingly furnishing false information to IUTS;
- Misrepresentation of oneself or of an organization to be an agent of IUTS;
- Obstruction or disruption on or off campus property, of educational or administrative process, or other campus function;
- Physical abuse, on or off campus property, of the person or property of any member of the campus community, or members of his/her family or the threat of such physical abuse;
- Theft of or non-accidental damage to the IUTS property or property in the possession of or owned by a member of IUTS;
- Unauthorized entry into, unauthorized use or misuse of the IUTS property;
- Sale or possession of dangerous drugs, restricted dangerous drugs or narcotics, as those terms are used in California statutes, except when lawfully prescribed pursuant to medical or dental care, or when lawfully permitted for the purpose of research, instruction or analysis;
- Lewd, indecent, or obscene behavior on the IUTS property;
- Abusive behavior directed toward a member of IUTS community;
- Violation of any order of the IUTS President, notice of which has been given prior to such violation and during the Academic term in which the violation occurs, either by publication or by posting on an official bulletin board designed for this purpose, and which order is not inconsistent with any of the other provisions of this section;
- Soliciting or assisting another to do any act that would subject a student to dismissal, suspension, or probation pursuant to this section;
- Cheating, bribery or plagiarism in connection with an Academic program.

ACADEMIC DISHONESTY

Instructors or proctors are authorized to take examination papers from the student and dismiss the student from the room with an automatic "F" grade for that test at any evidence of improper communication, including the use of books or notes in examinations. Such offenses customarily result in a grade of "F" for that course and the student(s) being placed on academic probation, and may lead to the student eventually being expelled. When reported by the proctor or instructor, cheating offenses will be handled by each Department Chair or Director of Student affairs. Faculty and staff are required to report all instances of cheating to the Academic Dean's office.

Academic dishonesty includes providing or receiving answers from other students during an examination, plagiarizing the works of others, using informational aids such as "crib sheets" or other types of notes during an examination (if not allowed), or anything else that might reasonably be construed as cheating.

Students who are found to be academically dishonest will be subject to suspension for one semester, and will be placed on Academic probation.

STUDENT GRIEVANCES

IUTS desires to resolve fairly and promptly any student complaints or grievances which may arise. Regarding grade grievance, students should not appeal a grade simply because they are unhappy with the evaluation. Appeals should be based on the reasonable assumption that an error has occurred. At first, students with grade grievance seek resolution by appealing to the instructor involved. If there is no resolution after having dealt with the instructor, the student may take the matter to the program director. If a resolution is still unreached, a formal written appeal may be made to the Academic Dean. The Academic Dean will mediate with all parties involved and resolve the situation.

When academic or nonacademic complaint/grievance arises, a student should always try to work out the problem by first discussing it with those closest to the issue. If the problem is unable to be resolved at the interpersonal level, a student may file a complaint with the Academic Dean's office. At the discretion of the dean, a committee may be formed in order to address the complaint/grievance. If the problem still has not been resolved and the grieving party wishes to pursue the matter, it then becomes a Presidential responsibility. If the problem still has not been resolved, and the grieving party still wishes to pursue the matter, the IUTS Board of Directors will meet with the plaintiff, defendant, and President, and reach a decision. This decision shall be considered to be the final word on the matter.

SECURITY AND RETENTION OF STUDENT RECORDS

A detailed system of records is maintained by IUTS for each student. Each student's file shall contain application documents (including student's name, address, e-mail address, and telephone number, social security number, major field of study, previous institutions attended, program start date), admissions credentials, records of attendance, enrollment status, grades earned, satisfactory Academic progress records, copy of government or state issued I.D., emergency contact form, enrollment agreement, courses taken, test scores, grades, transcripts, earned degrees, awards, advising records, written communication with the student, disciplinary actions taken, financial statements, tuition history, and receipts.

Student records and files are stored in fire proof cabinets for the safekeeping of student records including records of graduation and degrees granted. Each student's Academic and financial records are all stored and maintained in one collective student physical file. Electronic financial files are kept on a private financial intranet system on a server and electronic Academic files are kept on an Internet Cloud.

IUTS's policy is to maintain the confidentiality of student Academic records. No one outside of the institution shall have access to, nor will IUTS disclose, any information from a student's Academic records without the written consent of the student except: IUTS personnel, officials of other institutions in which the student seeks to enroll, persons or organizations providing student financial aid, accrediting agencies, in compliance with a judicial order, and in an emergency in order to protect the health or safety of a student or other persons. The student's Academic file is the sole property of IUTS. IUTS will not

release copies of documents of course work from other institutions attended. All student records are held a minimum of five years and transcript will be maintained indefinitely.

The name, physical address, e-mail address, and telephone number of the custodian of records are as follows: Jong Cho, 3055 Wilshire Blvd. Suite 985, Los Angeles, CA 90010, Phone (213) 761-7985.

SPIRITUALITY FORMATION AND TRAINING (CHAPEL SERVICES)

Those who prepare to serve God and the Christian community effectively should have hands-on experience in Christian ministry and service. This spirituality enhancement is a necessary component of developing Christian maturity and ministry ability. All students are required to participate chapel service at least once a month (usually first Wednesday evening during semester otherwise will be announced when change). In this regard, especially all students in the M. Div. program must complete four (4) units credit in fieldwork/student ministry during their study for graduation. A major goal of this practical training is to help students discover their gifts, talents, abilities and calling from God. This service also allows students to validate or invalidate the concepts they are forming in classrooms.

Current job openings and career opportunities are posted on both bulletin boards and the school website. IUTS makes every effort to assist the student by keeping these postings current.

STUDENT ACTIVITIES AND ORGANIZATIONS

Student activities and organizations are an important means for students to develop personally and professionally outside of the classroom. IUTS sponsored activities and organizations introduce students to the campus environment and allow students to engage in dialogue and leadership development outside of course-specific discussions. Student activities and organizations are provided to all enrolled students. They are required to be structured as inclusive of all members of the IUTS student community and may not restrict membership or establish membership criteria that discriminate on the basis of race, religion, age, national origin, gender, sexual orientation or handicap. No organizations with restrictive membership clauses will be recognized by IUTS. The student activities program strengthens student socialization, leadership and collaborative skills and offers encouragement to those who are making a transition to the IUTS life. IUTS sponsored activities introduce students to many of the diverse social and cultural events.
